

## MUSIC LICENSE AGREEMENT

**Licensor:** Lynne Publishing AS (operating as “Shockwave-Sound.com”)  
Ospelundveien 11, 3292 Stavern, Norway

**Licensee:** Zhejiang Yulu Electronic Technology Co., Ltd  
Rm 805, Xianfeng Technology Building, No. 298, Weiye Road,  
Binjiang District, Hangzhou City, Zhejiang Province, China

**Start Date:** March 23, 2023

Lynne Publishing AS (Licensor) either owns or represents the administration for certain musical compositions and recordings (hereafter referred to as “the tracks”).

Under this Music License agreement, Licensor grants Licensee permission to use the 100 music tracks specified in Appendix 1 (included on the following page) within their app known as “Merach” or “Merit” - though the app may use different names in different territories (hereafter “The App”), in return for a single, one-time license payment. After payment the music listed in appendix I will be available in a downloadable high quality format for the Licensee.

Licensee can install the music tracks into their App, and/or have the App access the music files from the Licensee’s internet or intranet server. Users of the App may use and access the music only within the App environment.

The Licensee may use the music to promote the app on their own social media profiles.

End-users (Licensee’s customers/user base) will NOT have a license to use the tracks *outside* the scope of the App platform, such as downloading the music files to their computer, downloading videos, or using the tracks on other, external platforms. End-users will not have a license to use the music on their social media platforms.

From the music tracks listed in Appendix 1, Licensor and their end clients may use the tracks as much as they want (within the scope of the App), as often as they want, as many tracks as they want, without having to count, or report to the Licensor, the number of uses of each track. Use of the music tracks is only permitted within the App. No other distribution is allowed.

License Period / Term & Termination: This License lasts for as long as the specified App is in use. As long as the tracks are used within the scope of the specified, named App, there are no renewal fees, no monthly or annual fees, and no royalties to report or pay. The License terminates if and when the specified App, or the Licensor, is no longer active.

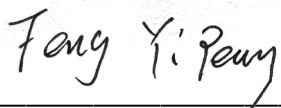

Licensor may, however, terminate the Agreement in writing if Licensee is found to be in breach of any of the terms of this Agreement.

Licensee may terminate the Agreement in writing at any time, if they so wish.

The Licensor declares that the music it licenses under this contract fall into the royalty-free category. For this reason, no other performer, authority, organization or agency may make a claim against (name of Licensee). for their use. Should such claims arise, the Licensor shall be solely responsible.
